

Risen Savior Lutheran

September 8, 2006

Dear Business Owner:

Each year Risen Savior Lutheran School continues to provide a nurturing environment where children and families are encouraged to grow and develop together. Through our play based program we have seen growth enhanced in all domains: spiritual, cognitive, social, emotional and physical.

We are excited that our annual Fall Festival is upon us! On October 27, 2006 we plan to provide a fun filled family event for the entire community at the Risen Savior Lutheran School.

We hope to provide food, games, booths, raffles, crafts, entertainment and much more in order to ensure a fun and safe family evening for the entire community of Chandler and surrounding areas.

One of our most successful fundraisers of the evening is the Silent Auction. Any donations of products or services your organization can make toward this event would be extremely helpful in making this event a huge success.

All monies raised from this fundraiser will go directly back to the classrooms in order to enrich the children's learning experiences.

For your tax purposes, our organization's tax id number is 86-0724498.

Thank you for your time and consideration. Please feel free to contact me should you have any questions or concerns.

With grateful appreciation,

A handwritten signature in blue ink that reads "Jacque Witte".
